

PURCHASE MANAGEMENT SYSTEM

 **VIRTUAL MALL**

LOCAL PURCHASE

Local purchasing is a preference to buy locally produced goods and services over those produced farther away. It is very often abbreviated as a positive goal, "buy local", that parallels the phrase "think globally, act locally", common in green politics.

Anything that is **purchased** locally (city where your company operates in) . The term is mostly used when an unplanned purchase needs to be made to fulfill an order/job/requirement.

PO Financing allows businesses that have obtained purchase orders/letter of Award to deliver goods and services or carry out contractual works. LPO Financing is designed for contractors and vendors of reputable organizations to obtain capital required to execute work orders and local purchase orders from these

Support yourself: Several studies have shown that when you buy from an independent, locally owned business, rather than nationally owned businesses, significantly more of your money is used to make purchases from other local businesses, service providers and farms -- continuing to strengthen
